EVENT CONDITIONS FOR FUNCTIONS UP TO 30 GUESTS

No more than a total of 30 guests may attend a small scale function event.

Smaller scale functions within the building of up to 30 guests

small scale events will generate fewer effects than large scale effects as:

- No outdoor marquees are to be used.
- Any outdoor music is to be background music only.
- All vehicles are proposed to be parked on site.
- Events will conclude at 11pm
- All guests will be indoors by 10pm and that there would be no exterior event lighting

Any outdoor background music should conclude at 9pm as it could result in louder outdoor conversation and potential disturbance to neighbours.

No more than a total of 12 guests may be accommodated within the commercial residential accommodation.

When a function event is occurring, the commercial residential accommodation may only be used in conjunction with that function event.
